December 23, 2015

Aloha,

You're invited to participate in our **10<sup>th</sup> Annual Love 2 Fish Tournament** at Honokohau Harbor on **Saturday, February 13, 2016**. Hospice of Kona is celebrating a decade of fishing fun on the Kona coastline and we need your help to make this milestone event a success!

How can you help? Let us count the ways...

- Enter the tournament! Gather your friends and get that boat in the water.
- Donate an item or activity to be offered for bid during our Silent Auction.
- Sponsor the Awards Banquet.
- Are you in a band? Let's get the fishermen/women rocking!
- Spread the word via the "coconut wireless"
- Sponsor the event. Decide soon, there is a time crunch!

**ABOUT HOSPICE OF KONA**

Hospice of Kona provides family centered support, education and care to those approaching end-of-life. In addition to providing care, comfort and compassion in West Hawaii: Hospice of Kona, Inc. also owns and operates Memory Lane, thrift boutique and manages Nakamaru Hale, a 5 bed hospice residential home.

Hospice services are provided based on eligibility and *never* on an ability to pay. For this reason, we humbly ask for your support and donations so we can continue to offer these valuable services to our community.

Please see attached form for your donation and thank you in advance for your consideration.

Adriana DeGress

Director of Volunteer Services/Events
